Jamtastic's lineups are:

**jazz trio** - classic lineup of piano, bass and drums (can also feature vocals if required) - playing quality versions of jazz standards for dinner or dancing music ... a popular choice for the afternoon when a larger line-up is featured in the evening

**four piece** - by far the most popular choice for creating a cost effective, massive yet versatile sound .. featuring lead female vocals; lead male and additional backing male vocals; keyboards with keyboard bass; lead and bass guitars; live drums

**five piece** - as above but featuring an additional female or male 'front person' vocalist or energetic percussionist

**six piece** - as four piece but featuring additional 1 or 2 x female or male 'front person' vocalists and / or energetic percussionist

**seven piece** - the ultimate showband: 4 energetic musicians and 3 front vocalists - awesome!
